

**EDEN
GARDEN**

The logo features a stylized house icon with a chimney, positioned on a path that leads towards the left. The house and path are rendered in a solid green color. To the right of this icon, the words "EDEN" and "GARDEN" are stacked vertically in a large, bold, serif font, also in green.

A retreat built by Passionate realtors

Eden Garden is a brain child of Goel Heritage Developers Pvt. Ltd., a company of passionate realtors transforming landscapes in landmarks and offering great value to customers with innovative concepts and ideal investment options. With a collective experience of over Twenty years, the group's vision is to build projects, in the lap of nature, that take people close to everything they desire.

Escape the Choos of City Traffic

We work hard the entire week, take on new challenges and push our limits to stay ahead. And to commemorate our efforts, we need a quick escape to replenish our energies. What better than an exotic abode in the traffic free roads and lush green fields, where you and your family can soak in the warmth of nature.

Inhale absolute Purity

Eden garden is as much about the serene atmosphere as much it is about owning plots. It offers you the experience of a scenic beauty developed by experts without you taking the pain of development and maintenance of plots and society.

Plots starts from 104 to 135 Sq. Yd.

Parks, Landscape, temple,
Efficient water management
Complete Compliance for every plot,
gated compounded property
24*7 Security with CCTV
Enabled cameras.

Live through Newfangled
Bigger than your Imagination
Escape to a different world
Bringing soul and soil together

Most Esteemed Choices Because You Deserve Better

Investment with technology interfering with our private lives, they have a significant influence on what we think and what we do. The emphasis is on buying useless things that we peel can make our life better. It creates a system where people are always in debt. The thought of investment is the last thing that gets into someone's mind. Saving towards financial independence is the need of the hour. The only way to economic freedom is investment. Investment in approved plots is the best one in the recent scenario. You are at the right place. You are at EDEN GARDEN.

Someday

You plan to own your dream plot
So why not make it this weekend.

You have been hoping to own some day the
only difference is, someday start today.
